**Sheer  
Driving Pleasure**

Listen to your eyes.

Above you, the sun. Beneath you, a storm.

The ultimate human/road interface.

Fresh air. With a hint of leather.

A familiar sight in the land of dreams.

Beauty and beast.

You can get out, but you'll never escape.

No room for compromise.

■ Standard equipment

□ Optional equipment

□ **Exterior mirror package:** the mirrors can be folded in automatically using the integrated electric fold-in function (e.g. in a car wash), and can then be folded back into position at the touch of a button.

■ **Ornamental front grille with chrome surround** and black kidney slats (in the Z4 3.0si<sup>1</sup> the kidney slats come in silk matt graphite as shown.)

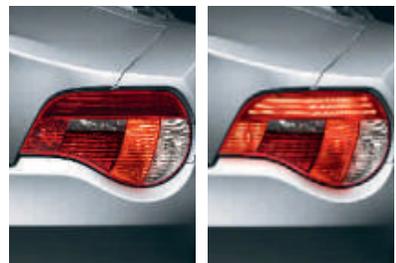

□ **Fog lights** integrated into the front air dam. The foglamps provide extra safety in bad weather conditions (including heated exterior mirrors and front screenwasher nozzles). (Standard on Z4 2.5i, Z4 2.5si and Z4 3.0si<sup>1</sup>).

□ **Xenon headlights for high and low beam,** incl. light rings, with automatic range control and headlight washing system. For much better illumination of the road ahead in bad weather or poor visibility.

■ **Side indicator in front side panel;** integrated into the BMW emblem.

■ **Brake-Force Display** helps following drivers to judge your braking situation. Under full braking force, the illuminated surface of the brake lights increases. Traffic in the rear can immediately distinguish between light and full braking force – to the greater safety of everyone.

**Headlight surrounds** in black (standard on Z4 2.0i, Z4 2.5i and Z4 2.5si).

■ **White indicator lights,** an attractive detail lending your BMW Z4 an especially sporting look.

**Headlight surrounds** in matt chrome (standard on Z4 3.0si<sup>1</sup>).

□ **Headlight washing system:** when the lights are on, the headlights are automatically cleaned in parallel with the windscreen whenever the right-hand steering column lever is activated.

<sup>1</sup> BMW Z4 Roadster and BMW Z4 Coupé.

■ Standard equipment

□ Optional equipment

□ **Park Distance Control (PDC)** for the rear area; facilitates parking and manoeuvring in tight spaces. The distance between your car and any obstacle is indicated acoustically.

■ **Glass rear window**, heated; scratch-proof rear window ensures optimal back vision at all times.

■ **Soft top (closed)**: the generously lined soft top is a harmonious match for the sporting, dynamic design of the Z4 Roadster, and insulates the interior against noise and extremes of temperature. Available in Black, Grey and Dark Beige (see colour combination table).

□ **Wind deflector** reduces irritating drafts and annoying isolated turbulence in the shoulder and neck region; consisting of two panes securely fitted into the rollbars and a frame-based net spanning between them. If the net is not required, it can be stored in a special storage rack in the luggage compartment.

■ **Manual roof operation**, central lock for single-handed operation; thanks to the special folding mechanism no canopy or top lid is needed.

□ **Fully automatic roof operation**, at the touch of a button the soft top opens/closes in approx. ten seconds. The soft top can also be operated via remote control (standard on Z4 3.0si).

□ **Hardtop** in body colour. Equipped with integrated roof spoiler to reinforce the sporty appearance of the Z4 Roadster (available as Original BMW Accessory).

■ Standard equipment

□ Optional equipment

□ **BMW light-alloy wheels** star spoke 241 with mixed tyres, 8 J x 18 inch, 225/40 R 18 front tyres, 8,5 J x 18 inch, 255/35 R 18 rear tyres.

■ **BMW light-alloy wheels** cross-spoke styling 104, 7 J x 16 inch, 225/50 R 16 tyres (standard on Z4 2.0i, 2.5i and Z4 2.5si).

□ **BMW light-alloy wheels** star-spoke styling 102, 7 J x 16 inch, 225/50 R 16 tyres (available for Z4 2.0i, Z4 2.5i and Z4 2.5si).

□ **BMW light-alloy wheels** star-spoke styling 105 with mixed tyres, 8 J x 17 inch at the front with 225/45 R 17 tyres, 8.5 J x 17 inch at the rear with 255/40 R 17 tyres.

■ Standard equipment

□ Optional equipment

□ **BMW light-alloy wheels** star-spoke styling 200, 8 J x 17 inch with 225/45 R 17 tyres. (Standard on Z4 Roadster 3.0si and Z4 Coupé 3.0si).

□ **BMW light-alloy wheels** turbine styling 201, 8 J x 17 inch with 225/45 R 17 tyres.

□ **BMW light-alloy wheels** double-spoke styling 135M, with mixed tyres, 8 J x 18 inch, 225/40 R 18 front tyres, 8.5 J x 18 inch, 255/35 R 18 rear tyres.

□ **BMW light-alloy wheels** star-spoke styling 108, composite design with mixed tyres, 8 J x 18 inch, 225/40 R 18 front tyres, 8.5 J x 18 inch, 255/35 R 18 rear tyres.

□ **BMW light-alloy wheels** star-spoke 203 with mixed tyres, 8 J x 18 inch, 225/40 R 18 front tyres, 8.5 J x 18 inch, 255/35 R 18 rear tyres.

■ Standard equipment

□ Optional equipment

■ **Sports steering wheel** (diameter 358 mm), three spokes.

□ **Sports leather steering wheel**, incl. gear lever knob and handbrake lever gaiters in leather (standard on Z4 2.5si and Z4 3.0si<sup>1</sup>).

□ **Multifunction sports leather steering wheel**, control of radio and telephone (optional) via integrated buttons.

□ **M leather steering wheel with multifunction**, thick contoured rim for superb grip. Integral buttons for radio, CD player and telephone (optional) control.

□ **Cruise control** lets you store and maintain a chosen speed (for speeds of 30 km/h and higher). Activated via the left hand side steering column switch. Deactivated by applying the brakes. After accelerating the set speed is automatically resumed.

■ **Standard seat "Sport" for driver and front passenger**, deep moulded surface area, optimum lateral support in every driving situation provided by highly-contoured seat sides; wide range of settings even for taller people; individual adjustment for seat height and seat angle (shown here in Oregon leather Black).

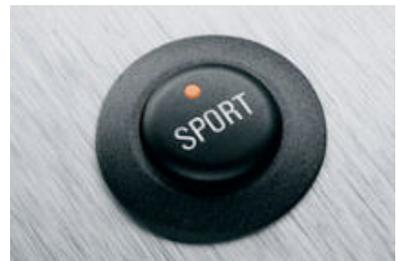

□ **M sports seats** for driver and front passenger, sporty design with integrated headrests; optimum lateral support in dynamic driving situations provided by highly-contoured seat sides; wide range of longitudinal settings; individual adjustment for seat height, thigh support and seat angle.

□ **Seat heating** for driver and front passenger ensures a pleasantly warm seat surface within minutes (three settings) (standard on Z4 3.0si<sup>1</sup>).

□ **Electric seat adjustment**, for driver's and passenger's seats, for easy adjustment of seat position, incl. memory function for driver's seat (three personalised positions can be stored for the settings of the driver's seat).

**Driving Dynamic Control (sport mode)**, at the touch of a button, engine response to the accelerator becomes even more spontaneous. With the automatic gearbox, the sport program is engaged and gear shifts occur faster. Steering assistance is also reduced for improved feel of the road, and cruise control accelerates faster (standard on the Z4 2.5si and Z4 3.0si<sup>1</sup>).

■ Standard equipment

□ Optional equipment

□ **6-speed automatic transmission with Steptronic**, Adaptive Transmission Management (ATM) and Shift/Interlock. Steptronic enables you to select gears manually, without the need for a clutch pedal (available on Z4 2.5i). Featuring additionally more sporting character and steering-wheel mounted gearshift paddles (available on Z4 2.5si and Z4 3.0si<sup>1</sup>).

■ **6-speed manual transmission**, makes for extremely dynamic driving. Smooth and optimally synchronized, it boasts precise, short throw gear shifts. Thanks to the close transmission ratio the engine is even more responsive to your own personal style of driving.

□ **On-board computer** provides data on average speed, average fuel consumption, range, time and outside temperature (standard on the Z4 2.5i, Z4 2.5si and Z4 3.0si<sup>1</sup>).

□ **Navigation system Professional\*** with 16:9 screen and TV (optional), incl. BMW Business Radio with CD drive guiding you quickly and accurately to your destination with dynamic route planning.

□ **Navigation system Professional\* incl. mobile phone preparation** with Bluetooth interface for use of Telematics Services.

□ **TV function** for navigation system Professional; the TFT screen can be used as a TV set (incl. teletext) when the car is parked. Can receive terrestrially broadcast analogue and digital (DVB-T) transmissions.

□ **Navigation system Business\*** incl. route planning with monochrome LC display integrated in the radio console (BMW Business Radio, without CD drive); traffic directions are provided exclusively by the voice computer and arrows on the display.

<sup>1</sup> BMW Z4 Roadster and BMW Z4 Coupé.

\* Not available in all countries. Please consult your BMW partner.

■ Standard equipment

□ Optional equipment

■ **Radio BMW CD**, 4 x 25 watt power output, integrated CD drive, motorised CD insert/eject. The CD player can play MP3s from a CD.

□ **Radio BMW Business CD**, 4 x 25 watt power output, antenna diversity, integrated CD drive, motorised CD insert/eject, incl. MP3-decoder. Connection for BMW CD changer.

□ **HiFi speaker system** with ten loudspeakers to provide a brilliant sound.  
□ **HiFi system Professional**, THX™ certified, with 430 watt amplifier, 7 band equaliser<sup>1</sup> and ten loudspeakers provides an excellent sound. New Carver technology produces an especially brilliant bass at low volume. In addition the system allows you to reproduce various acoustic sound types.

□ **CD changer, incl. MP3 decoder**, integrated into the storage compartment. The CD changer can hold up to six CDs (picture shows CD drive in combination with navigation system).

■ **AUX-IN connection** for an external audio source, e.g. for an MP3 player.

□ **Air conditioning**, including microfilter, ensures comfortable climate conditions in the vehicle interior at any time of the year, with manual adjustment of air volume and air distribution. (Standard on Z4 2.5i, Z4 2.5si and Z4 3.0si<sup>2</sup>).

□ **Automatic air conditioning**, including AAR, rapidly provides the desired climatic conditions in the interior of the vehicle and maintains the selected temperature, including memory function for individual manual settings. The integrated Automatic Air Recirculation (AAR) ensures that pollutants in the air do not enter the vehicle above a certain concentration.

**Front armrest**, ergonomic design (standard with design package "Active Sports", Full Leather "New England" or Leather "Oregon") (standard on Z4 3.0si<sup>2</sup>).

□ **Storage package** for even greater comfort inside; comprises storage nets at the back of the seats and the transmission tunnel as well as two touch-operated cup holders below the air vents on the left and right hand side.

<sup>1</sup> Only available in combination with navigation system Professional. Not available in all countries. Please consult your BMW partner.

<sup>2</sup> BMW Z4 Roadster and BMW Z4 Coupé.

■ Standard equipment

□ Optional equipment

□ **Chrome Line interior anthracite** lends your automobile the exclusive touch. Includes chrome inserts on the interior door handles, gear lever/selector and, on the Roadster, roll bars (standard on the Z4 3.0si<sup>1</sup>).

■ **Electric window lifts** incl. comfort control also controlled by the key by pressing and holding the central locking button on the key when locking the vehicle, open windows automatically close.

□ **Preparation for mobile telephone with Bluetooth interface**, incl. hands-free installation, charger connection and antenna. Snap-in adapter (Original BMW Accessory) connects a Bluetooth mobile phone, which can be operated, for example, via the multi-function steering wheel. Your BMW partner will be happy to inform you about recommended telephones.

□ **Voice control system** for navigation system Professional. Voice computer can be activated at a press of a button on the sports leather steering wheel with multifunction, and telephone or navigation system can be controlled via voice direction.

■ **Runflat Indicator** detects drops in tyre pressure and warns the driver with an indicator light in the instrument panel. Should pressure drop dramatically over a short period, the driver is warned by an additional acoustic signal.<sup>0</sup>

■ **Interior mirror**, anti-glare.  
□ **Interior mirror**, automatic anti-glare (shown here); when the level of light from following vehicles reaches a predefined intensity the automatic anti-glare function is activated (is included in the interior lights package).  
□ **Exterior and interior mirror** with automatic anti-glare.

□ **Rain sensor incl. automatic headlight control**: when activated, the rain sensor automatically turns the wipers on and adjusts the wiper frequency according to the intensity of the rain. The headlights are automatically activated on dipped beam when daylight fades or when entering a tunnel.

□ **Alarm system with radio remote control**: in the event of an attempted break-in or any tampering with the vehicle the alarm emits an acoustic signal and switches on the hazard warning lights.

■ **Central locking with electronic immobiliser** incl. car and key memory<sup>2</sup> locking doors, luggage compartment, soft top and fuel filler cap as well as the storage compartment at the back between the seats; remote control with automatically recharging battery in the key.

<sup>1</sup> BMW Z4 Roadster and BMW Z4 Coupé.

<sup>2</sup> Your BMW partner can inform you about the numerous personal settings made possible with this equipment.

■ **Tailgate**, generous opening; luggage compartment incl. roll cover to keep contents from general view.

■ **Comfort opening**: the luggage compartment cover opens in unison with the tailgate when in its extended position, for convenient access.

■ **Luggage compartment** with allround textile lining, illuminated and easy to access.

□ **BMW Welt**: Taking delivery of a car has always ranked among the best moments for any car driver. Now that moment can become a truly unforgettable day – at the new BMW Welt, the experience and delivery centre in Munich, Germany. Visit the Museum, tour the plant or explore the Technology studio: BMW Welt brings you the true fascination of BMW. Experience more online at [www.bmw-welt.com](http://www.bmw-welt.com).

Explanation on footnotes can be found on the following page.

## BMW Z4 Roadster

All dimensions in the technical drawings are given in millimetres. Luggage capacity up to 260 litres (VDA measurement).

<sup>1</sup> Figures are based on a 90% fill-up, driver's weight of 68 kg and 7 kg of luggage. Unladen weight applies to vehicles with standard equipment. Optional extras may increase these figures.

<sup>2</sup> The BMW Z4 engines are designed to run on RON 98 fuel. They may be run on RON 91 fuel with a possible decrease in engine output.

<sup>3</sup> All BMW Z4 engines conform to the EU4 emission standard. Fuel consumption is determined according to the ECE combined driving cycle in which approx. one third of the distance covered is

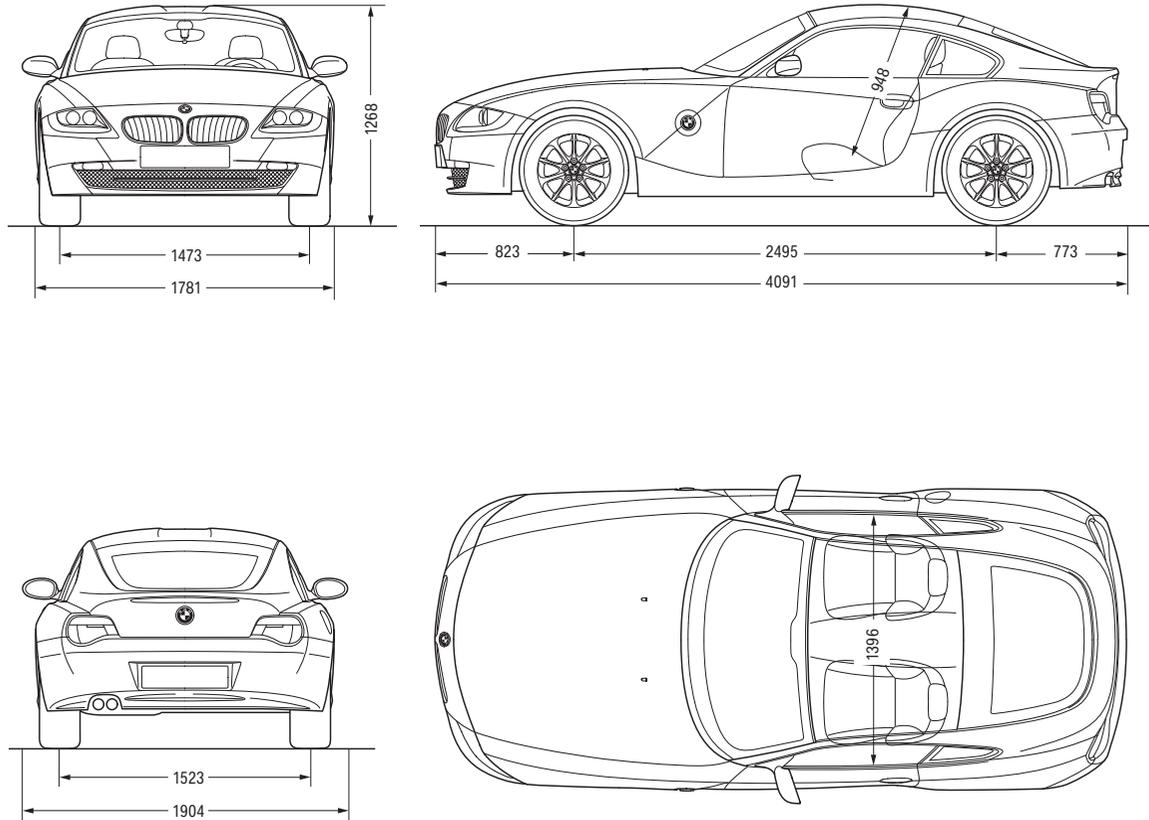

in urban traffic and two thirds are extra urban driving. CO<sub>2</sub> emissions are measured in addition to fuel consumption.

<sup>4</sup> Electronically limited.

Fuel consumption and CO<sub>2</sub> emissions may vary by country.

Figures in [ ] apply to models with 6-speed automatic transmission.

## BMW Z4 Coupé

All dimensions in the technical drawings are given in millimetres. Luggage capacity up to 340 litres (VDA measurement).

## BMW Recycling.

Your BMW is the product of a comprehensive recycling concept. But what exactly does that mean in practice? It means that all the requirements of recycling are taken into account from the start, in the initial development of a BMW. One example is the choice of materials carefully selected to preserve resources and ensure efficient recycling compatible with the environment. Each BMW is designed and built for simple and economic recycling after its – long – running life. We have been collecting the know-how required for this purpose ever since 1994 at the unique BMW Recycling and Dismantling Centre (RDC) near Munich. Please contact your BMW partner on all matters regarding your end-of-life vehicle. He will be happy to advise you.
